Section: Drawing Test

Q.1 You are sitting at a table in front of a tea stall in the early morning sipping a hot cup of tea while your companion is reading a newspaper. The tea stall is located in a park and you are observing a man walking his dog and the beautiful garden landscape around you.

Question ID: 833493185

Marks: 0.00

Sketch the scenario described above and render light and shade using drawing pencils.

Section : Drawing Test

Q.2

Using all the three shapes given below, create a visually pleasing composition. The shapes are to be used in the same size as illustrated below and they can be repeated, rotated, overlapped, interlocked and mirrored to create the composition.

Question ID : 833493186

Marks : 0.00

Use not more than 20 nos. of the shapes (all put together) and colour the composition using not more than 3 colours from analogous colour scheme.
